

TURNER FENTON

ROCKETRY

ABOUT US

TFRA, also known as Turner Fenton Rocketry Association, is a local high school rocketry club based in Turner Fenton Secondary School, in Brampton Ontario. We are the only high school rocketry club. We model, plan, build and launch high-powered rockets. We all have a shared interest in innovative rocket ideas, consistently being successful and motivation to become the best.

ACHIEVEMENTS

- 3 rockets successfully launched this season
- Spectre Rocket: Broke the sound barrier (Mach 1) and cleared 10,000+ ft
- Competed at Launch Canada and placed 11th overall
- Only high school team in the entire competition
- Featured in official Launch Canada event photography

WHY SPONSOR US

AUDIENCE

Engage with the pioneering minds behind the only high school rocketry team in Peel.

As founding fathers, we are forging a path for the next generations in the high school environment.

As a sponsor, this will give you an opportunity to reach out and support the smartest young talents and the future leaders in our region.

IMPACT

Make a difference by supporting and improving accessibility to STEAM education and programs for students across Ontario.

Your sponsorship will go directly toward cultivating a passion for science, technology, engineering, arts, and mathematics in high school students, helping to shape the next generation of innovators and problem-solvers.

RECOGNITION

Create lasting impressions in the community and positive recognition with hundreds of students, educators, and parents.

Your support will be highly visible at our events, in our promotions, on our website, across our social media channels, and much more.

By aligning with us, you will be associated with the excitement and ingenuity of high school rocketry and be seen as a champion of youth education and advancement.
